23 MOTION FOR HEARING IN RESPONSE TO MOTION TO DISMISS

24 1. I respectfully request a hearing, as a Pro Se applicant, to discuss the
25 differentiating process of case 1:04-cv-10366-JLT, whether joinder is

1 mandatory with 1:04-cv-10365-JLT, to identify what needs to be done in
2 response to the Motion to Dismiss, and to permit me to make oral Motions
3 at a hearing after guidance from the Judge. [A hearing for 1:04-cv-10365-
4 JLT is set for October 6, 2004, at 11:45 a.m., in Courtroom 20, 7th Floor
5 at new Federal Courthouse.]

6 2. JURISDICTION: As outlined on my February 2004 Motion for Appointment of
7 Counsel, I consulted with the National Labor Relations Board, the National
8 Mediation Board, and the various U.S. Department of Labor, Office of the
9 Massachusetts Attorney General, and the Department of Industrial
10 Accidents. I also filed grievances with the Association of Flight
11 Attendants but they were not responded to. Given the facts, I was advised
12 to proceed in Federal Court thus I believe there must be subject matter
13 jurisdiction. Jurisdiction and a claim upon which relief may be granted
14 were listed on the Complaint.

15 3. As Pro Se, I am unable to argue substantive or case law. I will need
16 additional time to respond to Motion to Dismiss to gain Affidavits from
17 the government agencies from which I sought recourse that directed me to
18 this court, and discovery from the Association of Flight Attendants, which
19 showed I attempted to go through administrative process.

20 4. I am against the motion to dismiss because there are factual discrepancies
21 alleged in the motion that I contest.

22 5. I respectfully request the court have a hearing, and conduct fact-finding
23 on its own motion before it decides on the Motion to Dismiss.

24 6. As subject matter jurisdiction turns on issues of fact, I request
25 sufficient discovery to prove jurisdiction so that a correct ruling on the
Motion to Dismiss may be made.

7. I am against the motion to dismiss because the exhibited Flight Attendant Agreement used is dated 2003-2009, an altered version that was not given to me prior to the events listed in the complaint.

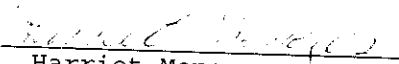

8. I am against the motion to dismiss because I have not commenced discovery as I am awaiting permission to do so by the court.

9. Defendant United Airlines, Frank Colosi and Sara Fields were recently served with the complaint and summons for this case.

10. This is also subject to a request for continuance if the court deems appropriate, while awaiting decision on a hearing and discovery.

11. If the judge rules on a motion to dismiss against my favor prior to further process, I respectfully request that the court equitably remand the proceedings to the appropriate forum without prejudice rather than dismiss all the causes of action.
